- Equipped with independent emergency stop for safe operation

Model	NK-T60L
Hydraulic power	60Ton
Bale size (L*W*H)	740*340*500-1000 mm
Feed opening size (L*H)	730*550mm
Chamber Size (L*W*H)	740×340×1490 mm
Bale weight	45-100 kg
Capacity	6-8 bales/H
System Pressure	11Mpa
Packing materials	Cross packing
Packing way	Horizontal 5*2 Vertical
Voltage (can be customized)	380V/50HZ
Power	11KW/15HP
Machine size(L*W*H)	3500*1500*4600mm
Weight	4200Kg
